Standard consultancy is charged at £50 per hour, compliance support at £70 per hour and specialist consultancy at £100 per hour. Please enquire about our rates for other packages, including annual report packages and business planning.

Rates for consultancy services are charged in increments of 15 minutes; so, you will be charged for your consultant's time to the nearest 15 minutes. Please note that telephone advice is charged at the same rate as office-based appointments.

We are currently not required to charge VAT for consultancy services, if this should change then we will let you know.

We want to stay in touch about important news and opportunities, so please ensure you return this form with your organisation's up to date information and contact details.

We look forward to continuing our work together in 2021-22!
